

BEHAVIORAL HEALTH SERVICES

Central Ozarks Medical Center

Your Health is Our Mission

What We Offer

COMC offers therapeutic services for children, adolescents, and adults.

- Cognitive Behavioral Therapy
- Family Therapy
- Mindfulness Therapy
- Client-centered Therapy
- Behavior Modification Therapy
- Psychiatric Services
- Screening and Diagnosis of Autism Spectrum Disorder

COMC's Behavioral Health Team practices integrated healthcare and are able to offer tools and programs such as assessments, individual consultations, family counseling, coordination with COMC's medical and dental providers, and referrals to outside specialists when necessary.

COMC's Behavioral Health Team knows mental health is important! A healthy mind and brain help our overall health and wellbeing. The team at COMC can help create skills to help with emotions, feelings, hard situations, and more.
