

Child's Name: _____

Dear Parent/Guardian:

Central Ozarks Medical Centers (COMC) is excited to announce we have partnered with the Eldon School District to provide Medical, Dental and Behavioral Health Services during the 2025-26 academic year! This partnership will allow COMC to expand access to convenient care to ensure your child stays healthy throughout the school year. COMC is a local, non-profit organization that has worked to meet the healthcare needs of your community and surrounding areas since 1979.

Open all year, even during the summer and school breaks, COMC's School-Based Clinic offers many services. Jillynn and her Medical Team provide school and sports physicals, care for colds, flu, immunizations, rapid labs, treatment for health problems like asthma, diabetes, and many other health concerns. Dr. Currey and her Dental Team provide access to students, staff, faculty, and the Eldon community for all dental needs. The Dental Clinic is located across the hallway from Medical Services.

In addition to Medical and Dental Services, our Behavioral Health Staff can work with your child to provide access to Counseling Services for issues such as depression, body image, peer pressure and any other challenges that your child may be experiencing. Students served by our School-Based Therapists have direct access in a convenient and confidential setting while they are at school. This limits absences from the classroom, ensures appointments are kept and creates a less intimidating environment for the student.

COMC's School-Based Services are available to any child who completes registration information and makes financial arrangements. COMC accepts Medicaid, Private Medical and Dental Insurance. We also offer a Sliding Fee Scale based on household size and income. We have dedicated staff to assist in eligibility for our Slide Scale and to identify if your student is eligible for the Missouri Medicaid Program. If your child is insured, please attach a copy of the front and back of their insurance card to the completed packet or email a copy of the front and back of the insurance card to: comc.clinic@eldonmustangs.org.

We look forward to working with you to provide the best healthcare experience for your child. If you have questions or concerns, please call: (573)392-8056 for Medical, (573)557-4220 for Dental, or send us an email to: comc.clinic@eldonmustangs.org.

If you would like for your child to be seen by COMC, please complete the attached registration packet and return it to school at your earliest convenience.

Indicate below, which services you would like for us to provide your child:

- I understand I have the right to refuse to participate or revoke consent for services delivered via Telehealth at any time by informing any COMC staff member.
- I understand that my provider will document in my medical chart as if the visit were conducted in person with only the additional information required for Telehealth billing.
